

Planning & Development - Staff Contact Information

Planning & Development is committed to advancing Regional Council's priority outcomes through the delivery of services designed to build a municipality with a healthy, vibrant, and sustainable future.

Planning & Development is responsible for regional and community planning, urban design and heritage planning, land development and regulation, infrastructure planning and growth analysis, transportation planning, climate change management, licensing, compliance and building standards.

The team delivers services in an efficient, accurate, professional, and coordinated manner and fosters and maintains productive relationships with citizens, the development industry, other internal and external departments, and Regional Council.

Executive Director's Office

The Executive Director provides overall leadership to the Planning & Development business unit with a focus on business and financial planning, resource acquisition, developing and supporting staff, and providing high-quality advice to Council, Executive, and Senior Management. The Executive Director also provides senior-level support related to operations, customer service, and administrative matters.
